The lady friends of Excelsior Hosiery Co., No. 3, held a leap year dance at their headquarters on Broad St. There was a large attendance.

Pilger and others entertained the Council with sketches from Lincoln's life. Fred Storms, Jr., was presented with a pair of gold eye-glasses, and Joe Matthews with a handsome fountain pen, for most regular attendance at Council meetings last year. At the next meeting of this Council, interesting papers will be read upon "George Washington." Preparations are also being made for a joint discussion upon the Monroe Doctrine.

The entertainment given by William S. Pierson Camp No. 9, Sons of Veterans, in G. A. R. Hall, Wednesday night, was a very successful affair. The hall was filled with the friends of the Sons of Veterans. Captain A. V. Sheppard delivered a speech of welcome which was followed by the Sons of Veterans trio and "Our Willie" with some of his comic sayings. (Mr. Wm. Eastman.) Rev. R. M. Aylworth, of Park M. E. Church, delivered an interesting address, in which he urged the members to become a member of this camp and to serve with and to secure a soldier's monument on the Bloomfield Park. Schmidt and Sheppard created considerable amusement in a comic sketch, entitled, "Dose German Sports." Cornelia Heves and Hayler of Wm. S. Pierson both related some very interesting anecdotes of the Civil War. Refreshments were served and a general good time followed.

A Leap Year Dance. The lady friends of the Young Men's Catholic Union gave a leap year dance at the Young Men's Rooms on Tuesday evening. This was the first dance of this kind ever held in the club rooms. About forty couples were present and pronounced it the finest and most enjoyable dance ever held. The laws governing the dance were that no gentleman should be allowed to refuse a lady a dance, and no lady should be allowed to decline an offer to dance under the penalty of a fine. There were no fines collected. The young men are in favor of the ladies conducting all future dances. The committee having charge of the dance were: Teresa Quinn, Katie Finerty, Katie Dailey, Hanna Costigan, Annie Finerty, Annie Dailey, Anna Maher and Julia Dunigan.

Postal Employees' Concert. The Bloomfield Postal Employees' Mutual Aid Association announce their annual concert at Central Hall, on next Friday evening, February 21st. Those who attended last year will remember that the programme rendered was highly satisfactory to one of the best audiences ever gathered in the hall, and the programme this year is promised to be equally pleasing.

The artists engaged are Miss Pauline Inghelard, vocalist, of coloratura, soprano. The Cecilian Male Quartette, including Mr. Arthur Yule, Mr. Hugh Emma, who appears in violin solos, musical humorists, impersonators and ventriloquists, and Mr. Millard Kitt, story teller and reader, whose stories have delighted many a child and whose very artful and realistic. Cadets' Entertainment. The Bloomfield Cadet Corps will hold their third entertainment at Central Hall next Tuesday evening, Feb. 18th. The program consists of an one act farce entitled, "An Awkward Situation" and a burlesque written expressly for the Cadets, entitled, "An Afternoon Tea." These two plays together, with an attractive variety performance make up the entertainment, and the people who attend will doubtless go home well satisfied with the performance. Music will be furnished by the Beethoven Orchestra. Tickets on sale at Wood's drug store or can be obtained from the cadets.

Robbers in Glen Ridge. The residences of A. C. Newell and E. N. Bristol, on Highland Avenue, Glen Ridge, were visited by burglars early yesterday morning. A Veteran's Opinion. "As you advance further in your art," said Gounod to a young poet, "you will come to think of the great poets of the past as now appropriate to the great musicians of former times. When I was your age, I used to say 'I'; at 25, I said 'I and Mozart'; at 40, Mozart and I; now I say 'Mozart.'" —Bacon.

The Proper Time. When the most benefit is to be derived from a good medicine, is early in the year. This is the season when the tired body, weakened organs and nervous system yearn for a building-up medicine like Hood's Sarsaparilla. Many wait for the open spring weather and, in fact, delay giving attention to their physical condition as long as a long stage of sickness is inevitable. To rid the system of the impurities accumulated during the winter season, to purify the blood, to strengthen the whole system, there is nothing equal to Hood's Sarsaparilla. Don't put it off, but take Hood's Sarsaparilla now. It will do you good. Read the testimonials published in behalf of Hood's Sarsaparilla, from reliable, grateful people. They tell the story.

Defenses Cannot be Cured. By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which cannot be cured by local applications, but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
